concerning SSIs as well as matters related to customs and excise for consideration of Government.

(b) and (c) The promotion of SSIs has been a conscious policy of Government. Government have announced a comprehensive policy package on 30th August, 2000 to strengthen the SSI sector and to enhance its competitiveness both globally and domestically. The policy package provides for *inter-alia* easier access to credit, availability of collateral free composite loans upto Rs. 25 lakhs, capital subsidy for technology upgradation and improved infrastructure. Further action, in respect of the issues raised from time to time, is a continuous exercise, as various Ministries/agencies of Government are involved in resolving these issues.

Development and extension of SSIs
